WELCOME TO PRIZANT DERMATOLOGY

Enclosed are forms for you to complete and bring with you to your appointment. Please list your medications (or attach a list) along with their dosage and reason you are taking. Providing us with your ***pharmacy name, zip code and/or telephone number*** will allow us to send your prescriptions from Dr Prizant directly to your pharmacy using our E-prescribe computer program. Please bring the following with you for check-in.

Insurance card(s)
Photo ID
Co-pay (if required)
Paperwork

You are required by your insurance plan to pay your co-pay the day of your appointment. Your health insurance is intended to cover some, but not necessarily all of the cost of your treatment. Most plans include co-insurance and/or deductibles, which may be billed to you after insurance processing. If your insurance requires a referral from your primary care physician, we *must* have the referral faxed to the office prior to the day of your appointment.

Patients with no health insurance are considered self-pay, those fees are to be paid the day of service.

Procedures, such as the removal of skin tags, milia, acne surgery, treatment of unwanted blood vessels, and others, are generally considered to be cosmetic and are not covered by health insurance. *Patients will be responsible for these charges on the day of service.*

Other cosmetic services offered include Botox®, dermal fillers, chemical peels, SkinPen microneedling for acne scarring and facial rejuvenation along with PRP for hair loss.

We accept cash, personal checks, Visa, MasterCard, Discover, and American Express.

Our office is located on Baum Boulevard between the cross streets of South Negley and South Euclid Avenues. Free parking is available adjacent to our building, there is an outdoor parking lot and a small garage, both areas are available for our patients. There is also street parking that payment at parking kiosk is required. You may get a map with directions and other helpful information by visiting our website at **www.Prizantderm.com**.

If you find you must cancel or reschedule your appointment, please call our office at least 24 hours in advance. Our phone hours are Monday through Friday 7:30 am to 4:00 pm.
